## President's message

Dear Fellows,

The College is stepping into the fourth year of its operation, and I am writing this message as the second President of the College. Please allow me to express my sincere thanks to those who have entrusted in me, and given me this valuable opportunity to serve you and the College!

I have taken the Presidency from Prof. Frances Wong, who has laid down a strong foundation for the College. It is a demanding act to follow. I would like to take this opportunity to congratulate Prof. Frances Wong, who has now taken up the Vice Presidency of the PHKAN, and Chair of the Education Committee! With so much at hand, Prof. Wong has still kindly agreed to continue to serve our Council as a member of the Education Committee and Program Committee. Frances, thanks for your commitment and

Many thanks to the council members who have served the first term from 2012-2015, and of course, particularly those who are willing to stay and continue to serve the College. At the same time, I would like to welcome the new council members who joined me in serving the Council from 2015-2018.

Those who continue to serve the Council are:

Prof. Frances Wong, Dr. Sharron Leung, Ms. Angela Cheung, Mr. Joseph Kwan, Ms. Lai Ching Leung, Ms. Sally Lo, and Mr. Roger Ng.

The new council members are:

Prof. Carmen Chan, Dr. Aileen Chan, Dr. William Li, Dr. Angel Lee, Dr. Stephanie Hung, Dr. Theresa Lai, Dr. Winnie So, Ms. Cecilia Chan, Mr. Hin Cheong Chan, Ms. Gladys Hui, Mr. Hung Wai Kwan, and Ms. Scarlet Szeto.

Special thank goes to the three co-opted members: Dr. Vico Chiang, Dr. Shao Ling Wang, and Mr. Summer Ha.

The College has completed induction of fellows in its first three years of operation. As per completion of a grandfather clause, this year, there will not be a Fellowship induction. From now on, all new members or fellows will have to pass an examination which is offered by the College. Needless to say, our Credentialing Committee and the Examination Committees are busy preparing the package for standardization of the eligibility requirements. In addition, an expert panel is also working rigorously in developing examination questions. We are also planning to launch short courses or workshops for those who intend to sit for the upcoming examination in order to become a member of our College in 2016. Please pay attention to announcements on our web-site, so as not to miss out on these opportunities.

The College has agreed to be one of the supporting organizations for the upcoming 9th International Council of Nurses (ICN) Nurse Practitioner / Advanced Practice Nursing Network (INP/APNN) Conference to be held at the Hong Kong Convention and Exhibition Centre on September 9-11, 2016. The key theme for the conference is: Advancing nursing, advancing health: Emerging possibilities. For more details, please visit the official website: <http://www.icn-inpapn2016.org/>. This conference provides a way for our College to realize one of our missions: Striving to promote excellence and maintaining the integrity, and ethical conduct in nursing practice, through quality nursing education and research.

Let us meet at the ICN 2016!
